I, \_\_\_\_\_ support the Redding Rodeo Association because;  
**(Name)**

For 75 years the Redding Rodeo Association has heralded the history and heritage of the City of Redding through their volunteer efforts and those efforts of the Asphalt Cowboys. These two organizations have been dedicated to the promotion of the rodeo and the betterment of the entire community.

It is time to offer the Redding Rodeo Association a series of long term contracts on the Rodeo Grounds and the immediate surrounding area that guarantees them, the Asphalt Cowboys and groups associated with the rodeo a long term home that can be developed to maximize it's economic potential, the greatest return to the community and upgraded and expanded facilities for the rodeo and other outdoor community events.

Please move expediently to offer the Redding Rodeo Association a long term contract with additional extensions, totaling 75 years in honor of this years 75<sup>th</sup> anniversary of this great event.

Sincerely,
